Subject: Opportunity to Contribute

Hi **{Prospect's First Name}**,

I hope you're doing well through these crazy times!

My name is **{Your Full Name}**, and I'm the **{Designation}** at **{Domain Name with Link}**.

I'm reaching out to you today in hopes of writing for **{Website Name}**. Is there any availability to contribute to your content strategy in a meaningful way? I'd love to help out if so.

Let me know what you think. As soon as I hear back from you, I'll shoot over an outline for you to take a look at.

Best,

{Your First Name}
